ETHICAL COMPLIANCE

Does the project touch ethical issues?	yes
--	-----

Ethics is an integral part of research activities funded by the European Union within the H2020. Therefore, all

proposals must describe ethical issues raised, and how they will be addressed so as to conform to national, European and international regulations. Guidance on ethics within H2020 is provided in the H2020 online manual (https://ec.europa.eu/research/participants/docs/h2020-funding-guide/cross-cutting-issues/ethics_en.htm) and a guideline for self-assessment can be found under http://ec.europa.eu/research/participants/data/ref/h2020/grants_manual/hi/ethics/h2020_hi_ethics-self-assess_en.pdf and applied for this call.

Proposals may be rejected from funding on ethics grounds if they do not comply with the European and national/regional legislation.

Please indicate that the project is carried out in accordance with the European Union's and respective national requirements on ethical issues. Please consult the Call Announcement for Information on Ethics assessment and criteria.
